

Group 3

7 African parties

5 EU parties

4 – 6 non parties stakeholders

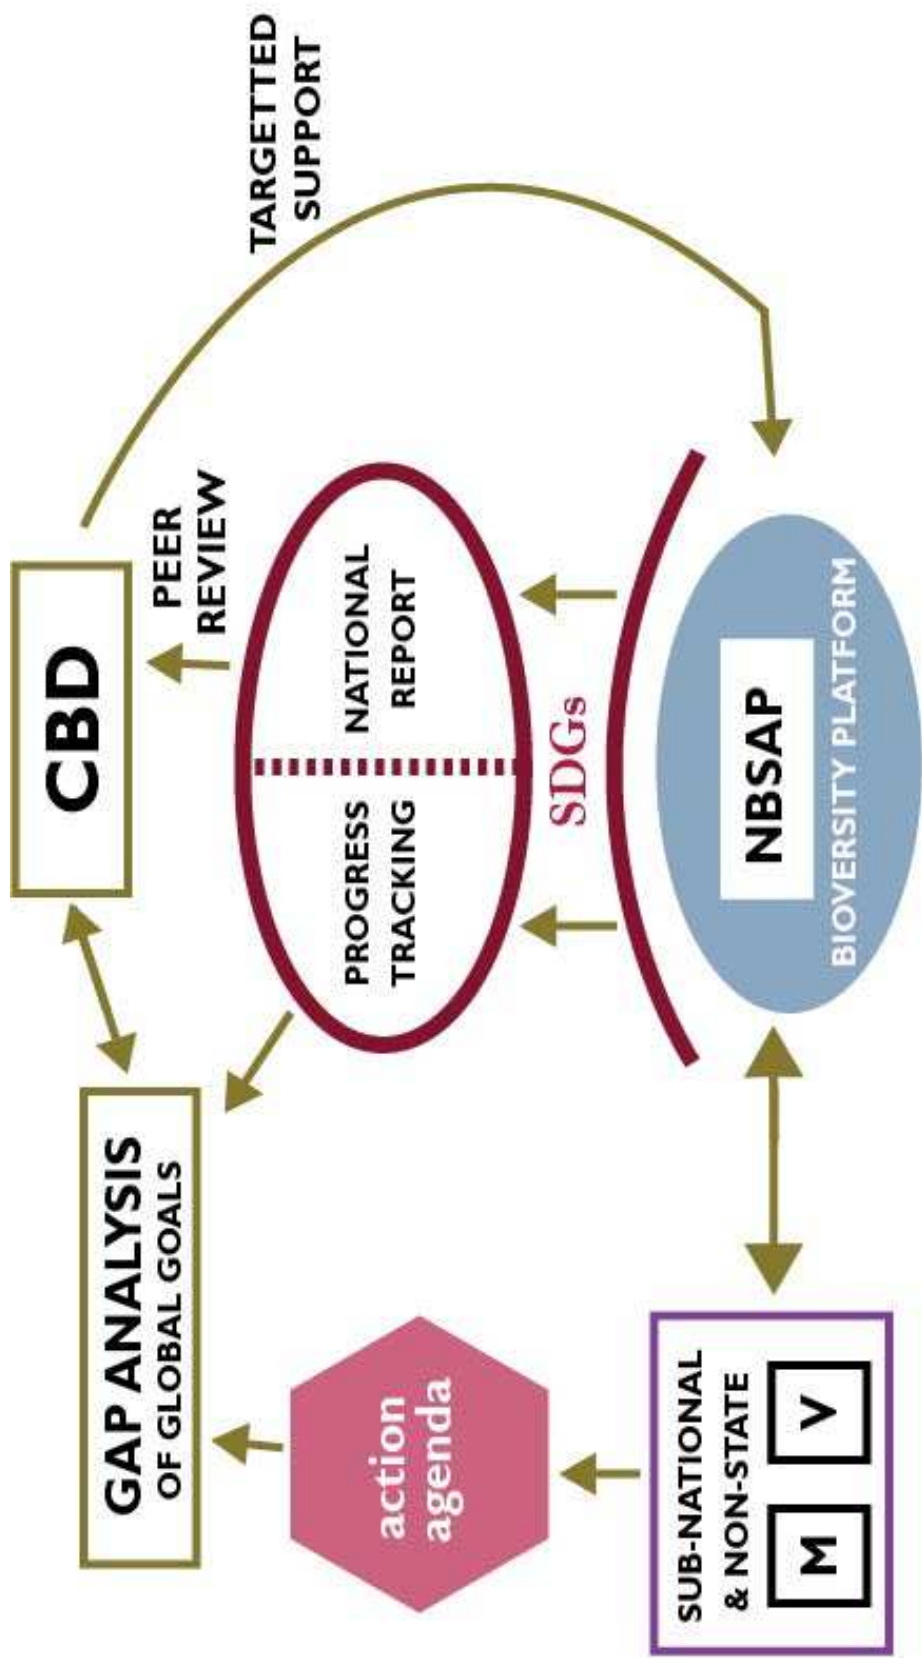

F 8 – M 8

Discussion Process

- Planning plus action
 - – NBSAP – Yes – SDGs (headline indicators) – also other targets party depending
 - Other Conventions and processes
 - Sub-national, local, IPLCs and business
 - Mapping and other tools → planning cycle
- Monitoring
 - Existing SDG plus others
 - Actions by parties, sub national and non state
 - Cycles, synchronize, resources utilization
 - Interoperability with data/platforms from other processes

- Reporting
 - Mandatory – voluntary – Target/action progress tracking
 - Different processes – cycle – re-using of relevant information
 - Communications with different ministries and actors - subgroup on coordinated reporting
 - Action agenda from sub-national and non state
 - Reports should be used !
- Review
 - “Voluntary” to be taken out? Buddy or peer groups review each other
 - Opportunity ! non punitive !
 - Thematic or selected, before each COP - GAP analysis
 - Positive should come out! Commitments on recommendations
 - Best practices on Gaps → resources available to implement

- National level
 - Tool: CHM or other
 - Information from different sources (DART, target tracker, GBIF, IPBES) See diagram
- International
 - CHM
 - Others
