Dear Madam/Sir,

Further to [notification 2017-042 issued on 19 May 2017](#), I would like to remind Parties of small island developing States (SIDS) in the Caribbean of the invitation to nominate participants to take part in the “Capacity-building workshop for Caribbean small island developing States towards achieving Aichi Biodiversity Target 9” taking place from 18 to 22 September 2017 in Kingston, Jamaica.

Considering the communications between nominees from the environmental and the agricultural sectors that is required in preparation for the workshop, I encourage Parties to submit their nominations as soon as possible and **no later than 31 July 2017**. Due to the process that the Ad Hoc Steering Committee must follow to select participants for the workshop, the Secretariat will not be in a position to extend this deadline.
