

A. APPENDIX: MAPS

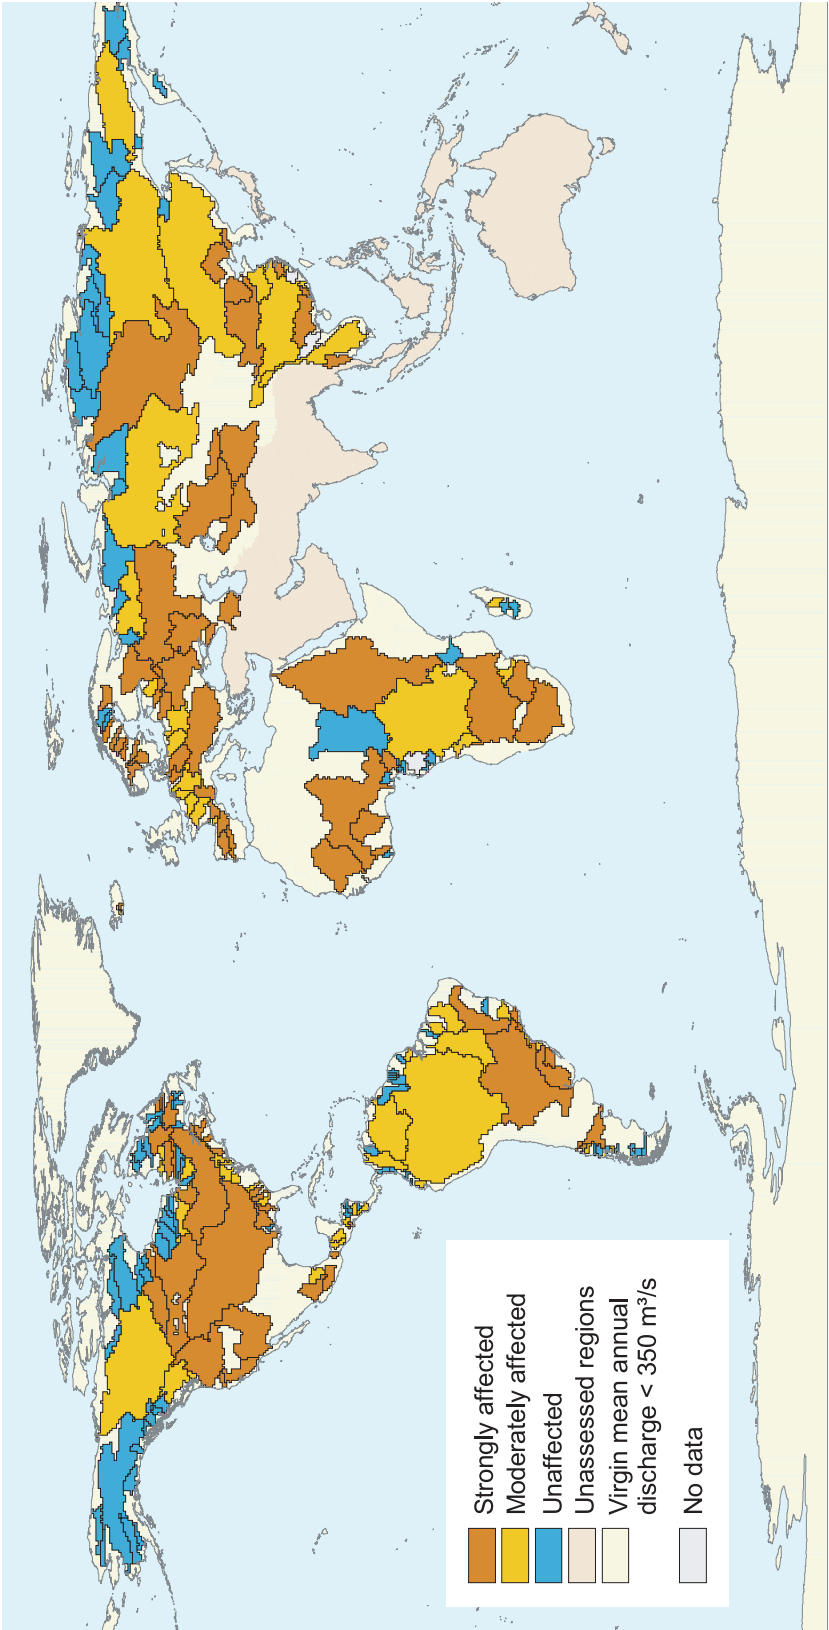

Map 1. Extent of wetlands in Africa

Africa: Wetlands, Dams, and Ramsar Sites

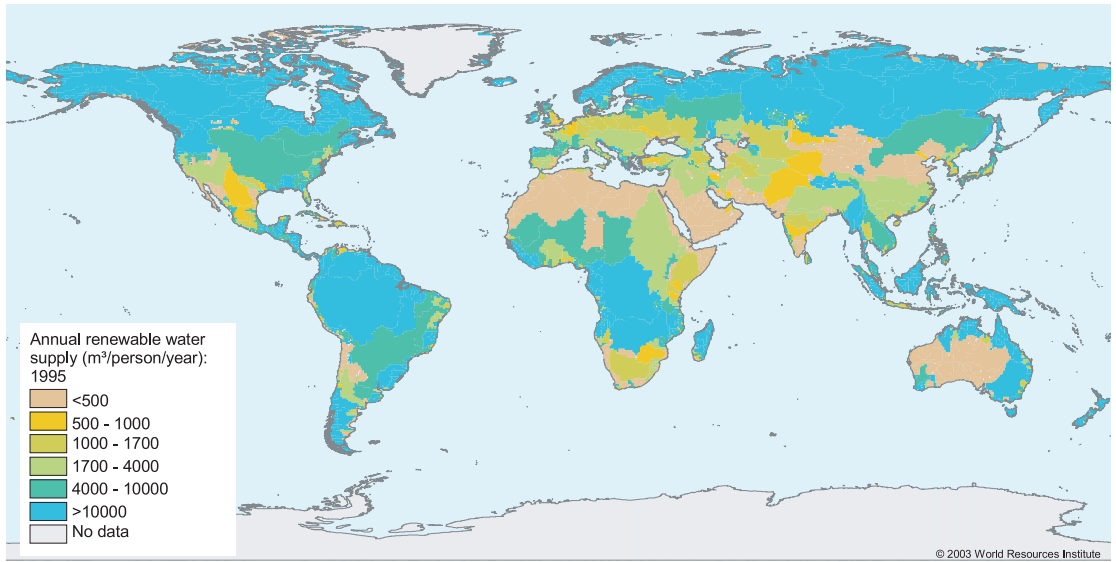

Source: Revenga et al. 2000.

Map 2. Fragmentation and Flow Regulation

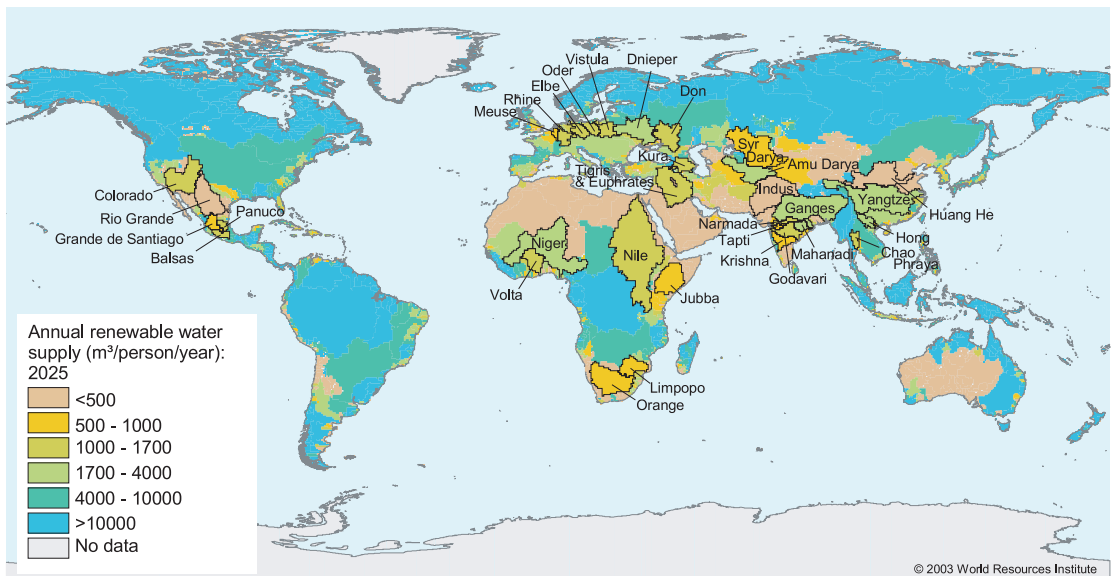

Source: Revenga et al. 2000.

Map 3a. Per Capita Water Supply by River Basin in 1995

Source: Revenga et al. 2000.

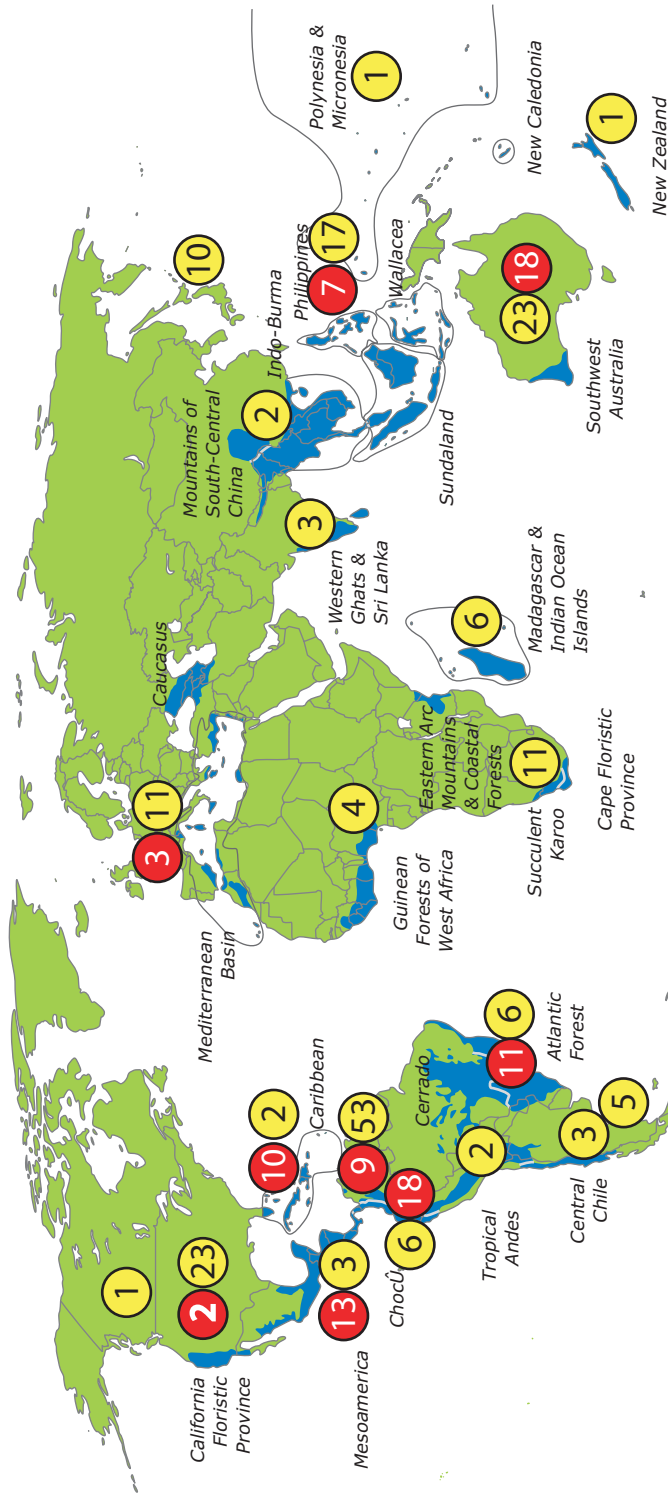

Map 3b: Projections of per capita water supply for 2025.

Source: Revenga et al. 2000.

Map 4: Global decline in Amphibians

Distribution of Global Amphibian Declines

= Extinct, Missing or Critically Endangered

= Additional Threatened (Endangered or Vulnerable)

Source: Revenga et al. 2000.

Source: IUCN 2000, AmphibiaWeb, Hero J.-M. & L. Shoo. 2003.
 Background biodiversity hotspots map from Myers et al. 2000.
 Prepared by J.-M. Hero, April 2002.
